

Evesham Journal and Four Shires Advertiser Roll of Honour 1914-15

Places of origin of listed soldiers

To search for soldiers from a particular place, use the roll transcriptions ordered by place.

Exceptions: where a date (YYMMDD) accompanies a place name below, the transcription for that issue was not checked by the transcriber and so not included in the sorted lists. In this case, a separate search should be made in the list(s) published on that date or dates. Example, "Ashchurch 140919" - search in the transcript for 19 Sept 1914.

If a date is preceded by "Indexed +", the place has entries in both indexed lists, and unindexed dated lists specified.

If the right-hand column is blank, then all listed persons from that place should have been indexed.
